Use a quarter inch seam for all seams. Make one jar at at a time. Use any fun fabric for the jar and the lid. Use a neutral fabric for the background. Sew the 1.5 squares in the corners to form the top of the jars. Pay close attention that the corner triangles are positioned correctly. Sew the lid/top of the jar block according to the picture. Sew jar and lid/top together for your mini jar. Do the same for the other two jars. You can assemble the jars in any order for your block.

This will make a sweet quilt or 30 X 30 comfort quilt(s).

The drawing for these blocks will be at the March meeting. One chance per block entry. Please email me jawezheck@gmail.com the number of entries prior to the March 4th meeting. If you make the block but don't want to win please let me know. If there are a lot of entries we could have more than one winner. Blocks will be mailed or dropped off at the home of the winner by you.
