President's Message

I want to thank Shirley Waldrop and any other guild member that helped out at the LAP retreat on Feb 11-13th. Shirley did an amazing job with coordinating the event, and she did the catering herself (feeding us the most wonderful food). We had a room full of happy quilters, with a lot of singing and laughter. Terri Ewen won the award for being the most productive. She finished a purse, a quilt supply organizer box, a baby quilt, and doll quilt all in one weekend! I personally finished a quilt top from a bali strip pack that I got for my birthday. All I have to do is pick some border colors, and I'll have my first quilt done for our next show. The consensus of those there is that we should do this again next year.

I will not be at the March meeting. I have a client that always has their convention the first week of March, so I'll have to work instead. I would much rather be with all of you.

The following is a list of who has volunteered to serve on the Board and/or as a committee chair next year, along with any open positions noted. If you are willing to fill an open position, please contact me at

threemcginn@aol.com. I will present the final ballot at the April meeting, and we will vote at the May meeting.

This time of year I really start looking forward to my trip to Paducah in April. This year me and 5 other friends are driving down and staying in Metropolis. Then we will drive over to Paducah every day. We found out last year, that we like having the freedom of using our own vehicle. It really saved our backs because we didn't have to haul all the fabric we bought on and off the buses.

I've already got my eye on some new books that have come out, and can't wait to shop until I drop!

Happy Quilting!

Maplewood House

Several members of LAP recently donated 5 quilts to the Maplewood House, a shelter for homeless women and children. This is a worthwhile charity for anyone looking for a home for their quilts. The beds are extra long twin so they should be at least 90 inches long and about 62 inches wide.

With the recently opened dorm size rooms with an additional 90 beds, they are happy they will not have to turn anyone in need away. However, with this new addition they could use many more quilts. It is an impressive place and we are happy to have a place like this in our city.
