President's Message

Welcome to our old (not in age!) and new members for the 2011-2012 year of LAP. I don't know about all of you, but summer has left me in its rear view mirror --- and very quickly, at that.

What is a quilt guild? It is a lot of people (in our case, 70 women), getting together to talk about quilting, share stories and show their work. I've often thought of it as the 4 F's --- friendship, fun, food and fabric. One of our members pointed out to me that our nine meetings equal eighteen hours. Do you realize that there are 8760 hours in a year? If you attend every one of our meetings, that is .0020 percent of your year. Add eight hours of activity and it approaches .0029 percent

(I was a math teacher years ago). ...and, that is what I want to say to you --- like Uncle Sam --- WE NEED YOU!!! (can you see his finger pointing?). We have lots of the 4 F's planned and their success and your enjoyment depends on your participation --- YES --- each and every one of you! Remember that old saying --- many hands make light work. We will have lectures, workshops, field trips, sit and sew days, pot lucks, a retreat and last, but hardly least, a quilt show in May, 2012.

---are you tired yet? The very best way to get to know your fellow members is to take part in these. We are nice women --- spend some time with us!

I'd like to take this opportunity to thank our previous years' officers for all their hard work and dedication. ...and, to this year's Board and committees, I thank you, in advance, for what should be an exciting

and creative year --- and it is soon underway.

Piecefully,
Carol Schon, LAP President

Raffle Quilt

Why do we have a raffle quilt? The monies we earn from this helps pay our expenses thru the year, one being our charity work....we supply batting, sometimes material, and quilting when not donated. We donate quilts to several charities and doll quilts at Christmas.

We have a very special quilt this year designed by Nancy Thelen. Jewel Kodilla machine quilted it and members constructed the blocks. It is truly a group effort.

Now I am asking the membership to sell, sell, sell tickets. Contact Shirley Waldrop for tickets. Each member should have at least one packet to sell.

If you know of someplace to take the raffle quilt and sell tickets, please let me know of other craft shows etc.

I was at Kohl's yesterday and the sales clerk handed me four hangers she had at her register. Just ask!!
