FROM OUR PRESIDENT

I am amazed that this is the last "From the President" article I will write for our newsletter. What the heck happen to the last two years? Where has the time gone? Well let me tell you.

We have made hundreds of doll quilts and placemats and provided warmth with our lap quilts. Haven House received much needed food and supplies from us as well. We were able to make a significant contribution to Bretton Woods Church for their much-needed new furnace and will be donating a quilt to them for a fundraiser. Individuals in the Guild made contributions to other charities as well.

We had a magnificent quilt show in 2014. We raffled off a quilt and the next raffle quilt is almost ready for the binding. We had some great presenters and workshops as well as some Saturday Sews to enjoy

Our 2014 and 2015 retreats were a blast with much fun had by all. We celebrated our first National Quilting Day Sew in and will be taking our first Shipshewana road trip on May 9.

Our website has been improved, our library organized and more books added then ever before and our newsletter keeps us informed of all that's happening in our Guild. Our history is being preserved our check-book is balanced and our savings secure.

I am humbled to have had the opportunity to work along side of those people who made all of this possible. A special thank to the Board for always stepping up and making things happen.

Thanks to the entire Guild for making my time as your President a great experience. I wish you all peace and joy.

Rummage Sale at May Meeting

We recently received a donation of several boxes of fabric. The board has decided we will hold a mini rummage sale at our May meeting. The proceeds will go towards buying supplies for our donation projects. The fabric will cost \$3.00 per yard. There are many lovely fabrics to purchase. Please bring cash or checks. It's always fun when the sale comes to you!

Let our Sunshine Lady know.
