Hello, March - the promise of Spring to come! Yes, the robins are back. Hope you are well and keeping busy. I for one always have great intentions! What I actually accomplish is another story!

It's been over a year since this crazy Covid epidemic started! I do hope in the near future we are all able to get back to at least a semi-normal life. ZOOM is a wonderful thing but nothing takes the place of being together. In the meantime your board is still very busy doing many things for our quilt group.

For those of you who may not have heard I won February's drawing for the chicken blocks! So far they haven't even flown the coop.

A special thanks for Judy Heckathorn for doing our monthly block drawing and a big thank you for participating in the monthly block exchange. If any of you ever have any suggestions or would like to get more involved, you are just a phone call away with board members onboard to help. Take care and always enjoy our special hobby called quilting!

Quote for the day! DESPITE THE FORCAST LIVE LIKE ITS SPRING! Stay safe and always stay well.

Sincerely yours,

Sandra Guild

NEEDED – DOLL QUILTS!! LAP is a major contributor of doll quilts to the Salvation Army Christmas toy project. Collection for 2021 is slow. Please plan to make a few doll quilts in your future projects. Size is a fat quarter - batting is not necessary. Porch deliver to Judy Grant.

THINK SPRING EVENT (Instead of National Quilting Day) **March 27, Saturday from 8 – 4:30 by ZOOM.** Log into an all day ZOOM meeting where you will sew and make neat projects for Spring. You may participate in activities and watch videos. Contests with prizes! \$10 gift certificate for one lucky winner! 5 lucky winners of fat quarters! **RSVP to Coreen at thatsmyquilt@gmail.com by March 12** to reserve your spot and receive your **Think Spring** kit box which will be delivered to you curbside. Kit will contain everything you need to **THINK SPRING:** schedule of the day, fabric kit for a donation block with pattern, and surprises!

Monthly block for March is canning jars. Beginning in April the format will change to creating blocks that will be donated to a charity quilt instead of drawing a winner. Rotating between a winner and donating is planned.

Comfort Quilts & Hospice Quilts – Donations are being received and distributed. Recipients have really appreciated the quilts. Contact Carolyn Babcock for drop off or parking lot delivery. ckbabcock@comcast.net
