The Presbyterian Church is requiring masks to be worn at all times in their facility.

Acts of Kindness

We are going to get to meet in person! There will still be masks covering our faces, but we will be in-person at our next meeting in March if all goes well. What great news!

Quilters are supposed to be known for their kindness. It is a world known trait of quilters! So this past month of February, I have been looking for random acts of kindness from our group and I have two to report to you! One kind act came from Chris Keppel. She surprised me and actually

made me cry from how sweet she is. Thank you Chris! The other act I witnessed was from our own Membership Chair, Janie Quinn, looking for a way to help other guild members out. Both Sandy Guild and Bonnie Reemsnyder stepped up to help Janie figure out the best way to solve the problem and they did. Thank you to these three ladies for their act of kindness.

Hope I catch you in an act of kindness too very soon!

Sincerely, Coreen
