Hi everyone!

The one thing I've learned with being president of lap is that it does take an army to operate our group. We are very fortunate to have the board and members that we have.

I love our retreat but when it comes to an end there is a little let down. I do keep in mind that our group is constantly changing. There is always something to look forward to.

Make sure you check out National Quilting Day and future programs.

At our board meeting we were able to finalize the changes to our House Rules. Thanks again to Sally and Minda.

I am still looking for spring! Like everyone else winter can be a thing of the past. Hope to see most of you at our next meeting! Just keep stitching and sharing! Love learning from other quilters!

Respectfully yours, Sandra Guild
