Well hello and goodbye to April! Hope this letter finds everyone well and safe. What a world to live in right now. Everyone I'm sure feels the same way. I wish I could share that I have been finishing up projects but I haven't. I have been making masks for my close friends and family. On the other hand I do have a new kitchen. Still missing new countertops but that will soon be here I'm sure when the stores are open.

We had a very successful zoom board meeting. We are currently working on a Zoom meeting for our regular meeting May 7. Not sure what the future will hold for us as far as meetings. It will depend on the outcome of several things of which I'm sure you are all aware of. Denise will be working on a way for all of us to show our finished projects in our May zoom meeting. We will have to somehow take turns. I will leave that up to Denise. A special thanks goes out to Denise McGinn for setting up the ZOOM and doing all the extra things she does. Also a thank you to Coreen Strzalka for coming up with the zoom meeting idea. It's definitely a great way for all of us to keep in touch until we can meet again. All of our board members do a fantastic job. As well as our regular members. I am very thankful to be a part of LAP. I hope everyone stays safe and well. I will see you at the Zoom meeting in May. Thanks to all.

Respectively yours, Sandra Guild
